Our Past

A group of residents established the Watertown Foundation in 1925 to enhance the quality of life in our community through local charity. By combining their gifts and working together to invest their contributions and assess the community's needs, our charter members began an extraordinary legacy.

Our Present

The Watertown Foundation is led by a volunteer Board of Trustees who bring a variety of skills and experiences to the table to ensure that the mission and vision of the Watertown Foundation is followed for the betterment of our community.

Our Future

A community that gives is a community that grows! By becoming a member of the Watertown Foundation, you will help us connect the past and the present to a future filled with hope and opportunity for generations to come.
